We are so sorry to hear of Sam's passing. He was such a sweet soul—always smiling, always bringing a lightness wherever he went. There was something special about the way he carried himself… his style, his charm, and his love for the finer things in life. He truly embraced life in a way that drew people in. Sam will be remembered by our family for how he made us feel—uplifted and a little more joyful. Our hearts go out to everyone who loved him. He left an impression that won't be forgotten. Pat, I am so sorry to hear of Sam's passing. I was honored to be able to coach him in football and to watch him develop friendships with his teammates and classmates over the years at Murray High. His big smile and quick wit brightened every room he entered! He will be missed by all that had the opportunity to get to know him. I wish you and your family peace and comfort as you celebrate and remember Sam's life.

Sam had a heart too big for this world!!! You are deeply missed earthside bro & I hope the reunion is so sweet on your end. I'll miss the way you joked around & would light up a room. Sam had a voice & laughter so loud, but full of love. I'm so grateful for the memories we've shared together. Sam was our palagi (white) brother, he was one of us. Your Tupai Family loves you always & to Pat, Avery & the rest of the Tucker family, we are here for you. Sending you lots of prayers & comfort during this time.

Sam Tucker! An incredible young man and uplifting spirit. I wish I got to spend more time to just thank you for our conversations. Your point of view on certain matters really helped me. Your optimism and willingness to still enjoy life through the hard days really was something that was very special about you. I hope I can take on that trait and carry on the path of being a good person and friend like you were to me. Long live Sam Tucker ■■

Sam was always someone who could make any moment lighter. He was goofy, fun, and just great to be around. I’ll always remember the way he made people laugh so effortlessly. He’ll be deeply missed. I'm grateful to say I had the pleasure of knowing him.

- Hunter Orges

Sam was an incredibly rare person. He had a love for life and people that I’ve never seen anywhere else. He was recklessly fun, quick with a joke, and completely unforgettable. He was also extremely loyal. If you were his, he didn’t have a bad thing to say about you. The world is a lesser place without him, but I know he’s left behind more stories and memories with more people than anyone could count. Baylor
