

Sandra Jean Brown

September 28, 1944 ~ June 19, 2024

We love you, Sandra. Even when you called my husband your boyfriend. You little flirt. I will miss your spunk and sassy humor. You were truly one of a kind and I hope to be like you one day.

Sandra will be missed by her friends at the National Association of Credit Management and the Intermountain Credit Education League. She was a staple in our association for many years. What a great mentor she was to generations of credit managers. Her legacy will be a long lasting one. She will be missed.

I am so sorry to hear this sad news. Sending prayers and condolences to the family and loved ones. Sandra was a great sister and truly example of Christ. She called me to be a RS teacher during her calling as RS president At Decker Lake Ward. Thank you Sister Brown for your service and example. Rest In Peace until we meet again

You were totally right when you said, Once you meet me, You'll never forget me ■ I miss you and our water fights we would have. I miss our daily charts and butterflies we shared. When I see a pretty butterfly ■ I'll be thinking of you and know you're thinking of me. I know you're happy and made a Grand Entrance once you got home. Condolences to family and friends .

I am very sorry for Sandra's loss. It's been a long time since I have been in touch, living so far away. I dearly loved her as one of a few cousins on my father's side. I am sending condolences and prayers to the family and will be

thinking of Sandra's loved ones at this time. May God bless her loved one with strength and peace as you mourn.
