Rest in peace. You have spent many years suffering. All my love, Kay

- Karen Lewis

Debbie and I are sure sorry about your loss. She was a really good person. I'm glad that we were able to give assistance where we could be there.

- Mark and Debbie Jacobsen

Sandy and Ralph were some of the first people to come meet us when we moved into the neighborhood, and we always appreciated her friendly nature. We admired how Sandy worked through her physical limitations. She kept doing the things that were important to her, and loved spending time with her family. We have watched Ralph take such good care of her over the years. We are thinking of your family and praying for you through this hard time.

- Heather & Ben Lawrence

We are so sorry for your loss, Ralph. She just kept going as long as she could, and she will be happy that you keep going. Much love to you.

- LuAnn Smith Day

We express our deepest condolences for your loss. May you find peace in knowing that Sandy is in the loving arms of our Lord and Savior and with family that have prepared a loving home for her.

Hi Ralph: Jerry informed me of Sandy’s passing away. I am so very sorry for your loss. I pray you will be comforted at this tender time. It is at times like these that I am especially grateful for the knowledge of the plan of salvation. I know you will see her again in a joyful reunion.
