

Sara Lorraine Horrocks

October 12, 1940 ~ August 26, 2025

I have been in Sara Horrocks ward for many years but it wasn't until 3 years ago after my husband passed away that I really got to know Sara really well! She changed my life forever. I will never ever forget her and the wonderful incredible person that she was she was truly a angel to me and I could never ever thank her enough for everything she did for me and I will always love her for that. I am truly sorry for the loss of a angel like her in our life. I hope it gives you comfort to know all the people that were her friends that cared about her.

- Sally Wilkinson

We are the parents of Sally Wilkinson. We owe a deep debt of gratitude to Sarah for her selfless service, love and kindness to Sally and her children after the death of Sally's husband Chris. Sarah gave of her time to teach Sally to drive, to exercise with her to take her to different appointments and to be a counselor and strength to her. In my contact information for Sarah I have these words in Notes: "Sally's Angel ministering sister". Sarah was an answer to our prayers and we will forever remember her and be grateful for her loving service.

I just read the beautiful obituary of my dear friend Sara Horrocks. I first met her 40 years ago when she married my husband’s childhood friend Richard Horrocks. Sara will be deeply missed. Dick, I am so sorry that Sara has left you alone as she stepped through the veil. I know what it feels like to lose your eternal companion. May the Lord bless you and comfort you at this time and always.

I'm not sure who to address this to- I'm so sorry for OUR loss, Sara played such a huge role in my life as a child. Sara and my mom were best friends and Sara was always there for her. My memories go way back to Albuquerque, NM. Sara and her young family (at that time), was always around and Sara was always a comfort to us, her influence on us moving to S.L.C, UT was a true blessing. She will always be remembered!

Dear Oma, our wonderful lovely person, Im so sad that I cannot be there for you on your last few days, and I did not expect the last conversation we had to be the last goodbye. But thanks to God, my kid could see you and talk to you over video call. The visa application waiting list is too long that made I cant hold your hand, hug you for the last time as i wish i could. As the song: “Family can be together forever” I know that we can be reunited under the Lord’s house one day. Love you forever, from Giang, Enny and Jasmine. To Opa, please take care and be strong we will be there soon.

My dear friend, Tim. I am so sorry you have lost your beautiful Mom. Sending all my love and deepest sympathy to you and your entire family. The first (and last!) time I saw the Tabernacle Choir in person was to go and see your Mom sing. I’m glad you invited me along that night. xxoojn

Family: I could never say enough positive about Sara. She and I weren't close in high school, but we did sing together in the choir. She had the most beautiful, angelic voice. I can still hear her singing "Somewhere Over the Rainbow" at one of our class reunions. She was one of the gentlest, sweetest, humblest persons I've ever known. I was blessed to be able to stay in touch with her on Facebook. She sat with us at the last class reunion and I so enjoyed being able to visit with her more this time. She had mentioned that she was doing quite well with dealing with the Parkinson's. I was saddened to hear the news of her pancreatic cancer diagnosis through our 1958 class group posts on Facebook. She was in my nightly prayers for a miracle, but I guess God really needed her presence now. May you all find SO much peace in sharing about Sara. You were all so blessed as a family. There aren't many like her walking the face of this earth. We're all so grateful!!! God be with each of you as you go through this loss. Thoughts and prayers...
