DEAR Sarah May you Walk with Angels and Just Breath My Heart is Broken that I wasn't Allowed just a few minutes together before you passed..... Please Rest!!!!!!!

- Jerry Rudd

To Sarah’s Family, Sarah, my cousin, was a caring angel that will be missed. She was taken way to so soon. She was a care giver to many, not to mention the the loving care she gave our grandparents Lyndon and Ruth Dudley. Hope Heavenly Father will comfort you in this time of need. With our deepest sympathies Jim and Lori Raines

How do I say good-bye to my oldest and dearest friend. Sara I hope you know how much I love you. I hope your my angle looking down on me and saying miss joy what are you doing. We talked about everything, and we’ve been through so much together. A friend like you only come around once in a life time. But we could always make each other laugh I have know doubt your telling me that your ok, that you’ll be there when I need a friend.miss you love you
