Our Dearest Sister Sarah, You showed us what love is. Your love for your family, favorite hobbies and spending time with friends will be forever etched in our memories. Your love will live forever. The are memories that will shine through the sorrow. During our monthly outing's, we ate the same restaurant Market Street Grill. Both determine to pay the Early Bird Special price. Which we got a kick out of. You always shared your meals with me although I had my own. I am so grateful that we served on the Usher Board together. I'm going to miss you. I love you so very mush! I can hear you laughing now and saying call me later but don't call me before 7:00 a.m. ■ Lover Always and Forever , Mike and Diane

To the family, My heart and prayers go out to you. I am truly sorry Sarah had to go home so soon but I know God has something for her to do and he needed her to come home. I will truly miss her sitting at the front desk on Sunday morning and ushering with her at church. I will remember the Girl's Night Out, Sarah, Debra, Lena and I had and how much fun we had and the laughs. People would look at us and comment on how much fun we were having. Life is not promised to any of us so we all need to live it to the max and Sarah did just that,she had an amazing spirit. May God bless you all and give you peace.
