There are no words to express how sorry we are for your loss. Sarah was such a beautiful person, inside and out. Losing your child is something no parent should have to go through. She was so young and had so much to live for. We are truly heartbroken for you. Your family will be in our thoughts and prayers during this time. Please know we are here for you and will support you all we can. Sending all our love.

I'm still in utter shock and disbelief to lose such a beautiful and amazing friend. Sarah was more than a friend though, she is family! She takes such amazing care of those around her. I'll always be forever grateful for the love and attention Sarah always gave to my children. They always looked forward to seeing her, playing basketball, and seeing what else they could discover and play with in the garage. Sarah was all about making sure everyone was having a good time and had what they needed. I'm SO going to miss her laugh, contagious smile, caring ways, her yummy food and adventurous spirit! The circle will never be the same!!! Love you Sarah!!!
