

Savannah Lee Hahn

Aug. 21, 2002 ~ July 14, 2021

I'm so sorry for the loss of Savannah. I believe she had a big purpose here on earth. I imagine her smiling and dancing up in heaven as well.

My name is Felicia Smith and although I didn't have the pleasure of meeting your sweet girl, her rett sister Hannah sends you and your family hugs and a whole lot of love during this time. Hannah loves unicorns too, and they are indeed magical. Our girls are one of a kind and every time you think of your sweet daughter remember that twinkle in her eye that she had with each conversation. She truly is an angel.

Send our love to your mom! Wayne and Debbie Higgs

Through your love for her and kind care you showed all who know you that Savannah's life is unique stones in the mosaic of human existence -- priceless and irreplaceable. Surely it is not our body nor our mind that makes us human, but our heart, not our ability to think or move but our ability to love. I wish you peace. Ken Wallentine
