

Scott C. Welling

October 8, 1947 ~ November 12, 2024

Scott was our long time Midway neighbor for many years. We have enjoyed so many casual conversations with him. We will miss him! We send our love and condolences to his family.

So sorry to hear of Scott's passing. He was a great guy and a wonderful lawyer. My thoughts and prayers are with his family.

Scott was a friend of my husband for almost 60 years and someone I have known and seen at different throughout the past 40 years. He was a very intelligent man, engaged to the very end to the issues he was committed to. He was a generous, loyal and supportive friend. The five year battle he fought with cancer, largely on his own, was a real testament to his presence of mind and force of will. Now, at long last, he is at rest. Condolences, peace and light to all who knew and loved him.

- Stacy Nordquist

Hondo (so named for a John Wayne movie character) was the consummate frat brother. I always wondered how he maneuvered school, and especially law school at the U while living at the Pi Kapp house. His room was centrally located upstairs where we house live-ins often congregated. Yes, he was a bit of a curmudgeon, but that's what endeared him to us. He and John Nordquist, aka Nordy, were hilariously entertaining. Best comedy act anywhere. We should have paid them. Grateful to have known him and to have the chance to spend a little more time with him recently. Hard to see him leave.
