I'm sorry to hear of Scott's passing. He had a happy life with much adventure, love and family. I send the family my sincere condolences. I am Pam MacDonald's sister. And Brian Honey's cousin.

We are so sorry for your loss. I know Scott is in a better place now but it's hard on those of us left to carry on without him. Scott was loved by everyone who knew him. I have been thinking about Scott a lot and was looking forward to being able to see him again. Now that time will have to be in heaven when we all meet again. All our love to the family, Kerry and Cynthia Riggs.

I will always be grateful for your friendship during a very difficult period in my life when friends were scarce and bullies were abundant.
