Dear Lisa, Mrs Steele and to all of the family, my thoughts and prayers are with you all. I was so saddened to learn that Scott had been battling cancer and had passed away. I hope he has found peace and that you all find comfort in your love for each other and your many joyous memories. I remember Scott as a very tall, cute and caring young man in Monet. Please accept my condolences and the love I send across the miles, Teresa

Dear Cherie & Family, I send my heart-felt and sincere condolences at Scott’s passing. I am so sorry.. What a wonderful and amazing friend Scott was to me! I have many wonderful memories of the time we spent as teenagers in Missouri. Scott was like a brother to me, always setting a good example in striving to live a good and honorable life. Scott showed me by his actions what it meant to be a worthy priesthood holder and friend. Scott was kind and reached out to me when I most needed a friend and I will always be grateful to him. Again, I send my sincere condolences to you and your family. May Heavenly Father’s choicest blessings attend you and comfort you now and always. Sincerely, Paul Bateman

Dear Cherie, We are so very sorry for the passing of Scott, your dear husband; and our wonderful friend. We send all our love to you and also your whole family. I know he feels your love, and I know he is still sending his love to you as well. We are so thankful for the opportunities we have had to share good times together and we are thankful for your special visit to Arizona when we were able to see you both and also his mom, Sister Steele. We will always treasure that time and we send you all our love at this hard time. We know the Lord is watching over you and your family and we pray you will feel His love and comfort and strength now and always, and that you will continually feel the arms of our Savior encircling around you, Scott, and your whole family.
