We send Our Love ❤■ Krista. May God wrap his Arms around you through this difficult time. Love Robert and Gina

- Robert and Gina Hunt

Even though I never got to meet you in person, I will always consider you a strong man. May the Lord Jesus set you free from pain and suffering. You will always give me spiritual strength when I need it. You will be missed and loved by the Williams Family brother Sean Williams. I love you

I am so grateful and blessed to have had the beautiful and sacred opportunity to spend so much time with Sean this past year. He faced an extremely difficult situation with such courage, fortitude, and hope that blessed my own life as a witness. I loved watching how everyone that cared for him, both in and out of the hospital, connected with him in such a genuine way as Sean always did his best to be kind, patient, and say thank you! I will miss our many talks that ranged from wacky topics to the deeper discussions about the difficult/painful challenges he faced. My heart is broken and I will miss you more than words could ever express. I love you so very much Sean and am so blessed to be your aunt. And to Krista, I am so glad you and Sean found each other as the two of you belonged together. You were his rock and blessed his life in so many ways that no one else could. He spoke often about how much he loved you. I am so grateful for all you did for him and loved watching the two of you together, especially during the difficult times. My love goes out to you in such a difficult time and already miss our time together each week. I'm honored you are a part of our family now and always!
