

Selma Setsuko Yagi

April 29, 1934 ~ November 3, 2025

Selma will be dearly missed. A sweet, loving woman with always a kind word to everyone. A gracious, noble woman with a deep love for the gospel. I'm grateful for her Christ-like example of love to all. I will miss her. My love and prayers to her dear family.

Our Mt. Majestic monthly meetings will never be the same! With us, sweet Selma enjoyed sharing her life stories, escapades, house problems and yet the wonderful opportunity to remain in her home for the past years. She often expressed thanks to her children for making sacrifices to allow her such independence.

Selma Yagi Family, Our deepest Condolences in the passing of a very special lady. My memory of Selma was her & Junior eating at my dad's restaurant, the Golden Spike Café owned by Ichi & Yae Nisogi in Corinne. Utah, weekly after their bowling league in Brigham City. Our last conversation with Selma was only a few weeks ago at the Nikkei luncheon, and Selma said I miss the chow mein we used to eat at your dad's restaurant. We also missed seeing her when she bowled in the Senior league on Wednesdays with her sister Meg. Our Sympathy, Ken & Reiko Matsuura

Deepest sympathies to the Yagi family. Selma was always kind to me and greeted me with the warmest smile. Our thoughts and prayers are with you all!

Rick, Randy, Steve, Susan and Kari Jo, It has been many years since I have seen any of you as well as your Mom. I think the last time I saw your family was at your Dad's viewing. I was sad to hear of your Mom's passing and know this has been a long awaited time for her to reunited with your Dad again. I have memories of our younger years....the Hamilton's and the Yagi's. I do remember as a young child going out to your farm in Corinne. Your Mom and Dad were always so kind to us. I remember your Mom's laugh and how she was always so upbeat. It's sad to see that generation slowly passing away and seeing all the good friends our Mom and Dad had while we were growing up. May you be comforted at this time. Nancy Hamilton Hennessy

We felt like Selma was part of our family. She and my mom were two peas in a pod. The fun they had together! Selma was always so warm and thoughtful and loved. We miss her.

I loved Selma like a sister. We spent almost everyday together. We had so much fun eating out, snowshoeing, going to movies, going to all the Ute games and sharing our lives through it all. I will miss her terribly and will always carry her in my heart. Sending my love too all of you.
