

Sharilee (Shari) Brower

March 28, 1946 ~ October 5, 2021

This senior high school picture is how I remember Shari. She was my friend Teresa's beautiful and mature big sister that I really looked up to and wanted to be like. I remember when Leslee was born, a gorgeous, curly headed baby, and how cool I thought it was that Shari was a mom. Shari was definitely a role model for me and memorable part of my history. My sincere condolences to Teresa, "little sister" Maureen and the entire family. Rest in Peace Shari. I think fondly of you. Your friend, Dee (Price) Thorell

Shari will always have a special place in my heart! We had many adventures together! Loved sharing chocolate bars together, oatmeal raisin cookies, outings, and quiet talks together in my office. An incredible woman! My condolences to you as a family, you are in my thoughts and prayers.
