A beautiful spirit and devoted Mom is always missed. She raised such solid and good men who get to carry her memory. Godspeed.

Dear Brother Cory, Even when we know this beautiful and eternal gospel, the loss of a mother always brings sadness. But thanks to Christ we know this feeling is temporary until the day we meet again. Our family prays that you may obtain the comfort you need in these difficult times. We love you.

Sharon was so creative!! She tied beautiful bows on the end of each row of seats for my daughter’s wedding. She even orchestrated the rehearsal. She had so many talents that she shared with everyone!

Our hearts, thoughts and prayers are with you during this time of deep loss. We hope that the knowledge of your dear mother's eternal light, love, essence and being will bring some comfort and peace. May the memory of your mother be a blessing to you and your family and may you be comforted among the mourners of Zion. Your mom sounds like an incredible woman. We are so sure that she is filled with the light of Christ now and is in peace. We love you and will pray for you.
