

Sharon Rae (Schoenfeld) Griffiths

June 24, 1937 ~ August 8, 2023

I have know Sharon for a relatively short time (19 years), but consider her family. We live across the street from her daughter and have spent many evenings around their backyard fire pit. I will remember Sharon most by her infectious smile and love of diet coke (me too!) She will be missed by many.

These are such wonderful pictures of Sharon and the family. I was lucky enough to be able to get to know Sharon while visiting family in the summers and eventually moving to Salt Lake for several years. The Sunday dinners were always a highlight, and I always looked forward to seeing Sharon there. She lived such a full and beautiful life through her adventures and her family. Yes , she will be greatly missed but I'm sure she is happy to be reunited with Ron. Her strong spirit will definitely live on in her grandchildren and great grandchildren..

My sincerest condolences for your loss. I will always remember and cherish the times we spent together as a family on Thanksgiving, Christmas, and family reunions in Millcreek Canyon. She was an amazing cook and will be dearly missed here on earth.

Sharon was always the Shinning Star and Special Love to all her family. As I don't live in Ut I only was able to enjoy her company when I traveled from Boston to see my family: John my son,Dana my daughter in law and my two

sweet grandchildren Jadie and Shaela (two loves of my life). Sharon and I shared a special bond and we were close friends. She will be sorely missed by all but memories will always remain in Our Hearts♥■ Affectionately,

Dana and John. I am so sorry to learn of your mother's passing. It is such a difficult time. I hoped to be able to come to the funeral to give you both a huge hug, but prior commitments prevented me from attending. I hope that you are finding the peace that comes from knowing that she is still with you and that she is no longer suffering. I love you two so much and please know that my thoughts and prayers are with you.
