Very sorry for the loss of Sharry, I will always remember her as a kind and caring person.

I am thinking of all of the family at this difficult time. Please know that I am here to listen if you need to talk. Your mom was such a wonderful person--my best friend--for 51 years. She loved you so much! It is okay to grieve. Her memory will live on in your heart. May you find comfort in the memories you shared as a family. She was a wonderful mom. May happy memories one day replace the sad in your heart. I love all of you, Della

Dear Oviatt Family, we am so sorry to hear about Sharry’s passing. She was such a beautiful woman with a heart of gold. I so respected her as she went back to nursing school. That career fit her caring personality. When I was sick and spent so much time at Alta View Hospital, I was so grateful to have Sharry as my nurse. She took such good care of me. Our prayers are with you, we will miss your mom. Love, Jim and Paula DeSpain

I had the privilege of being Sharry's neighbor, visiting teacher/minister, and friend for over 30 years, and count it a blessing to have known her dauntless, always positive spirit during that time. She made the best of every situation with grace and courage. She will be missed. Live and hugs to Jackie and the family she loved so much and who loved and cared for her those many years..

I also was able to be Sharry’s visiting teacher for a time. She was so nice. She never complained. She loved Heavenly Father and Jesus Christ and her family. She was using her hands to crochet the edges of the

humanitarian blankets. It is wonderful to know that she no longer has MS and that she is free to move without pain. She is a great example to me of being true and faithful to the end.
