

Shauna Brown Collins

March 16, 1949 ~ November 3, 2022

Shauna was a beautiful person, and so caring and giving. She will always be with me in so many ways as the cherished friend she was.

Brain, Chad, Mark and Michelle, and the rest of the family. I was in shock when I heard about the passing of your Mother. She was everything a person needed as a friend. She was always there if I needed just to talk. We spent many hours on the phone together trying to solve the problems of the world, the ward, our children , husbands, but we never accomplished that. When she moved to Riverton. I always said I was going to come and see her. I waited too long.. I regret that. We would sit next to each other keeping score at baseball games. Doing craft items, and sometimes just hanging out. Those were the days. And Chad I told her many times to use butter on your bumps., because you did get many bumps. I wanted to say “I am sorry for your loss” but I can’t do that Shauna is not lost to me I know exactly were she is, planning parties, and doing everything she loved to do. She is one special women to me I will miss her, I loved laughing at the Grandma saying she would post on her Facebook page, and knowing she was laughing at the same thing. She was a great mom, a good friend. she loved and appreciated you all more than you will ever know. Til we meet again. I love you.

Shauna was like a second mom to me during my high school years. I have the best memories of being with her. Sitting in the kitchen and drinking green punch, Going to grandma Brown's for dinner. She always had time to talk. I still remember and think about a specific conversation we had about life that really changed my outlook. I will never forget it. She was a rock and her influence will be missed.
