Our hearts go out to this remarkable family. The Burke family is a shining example of what love is and we cherish their friendship and strength. We extend our most heart felt sorrow at the passing of their wife and mother Shauna and pray that our heavenly Father's most choice blessings attend them as they grieve as a family. We can all learn to better love and care for one another as we remember Shauna and her beautiful life. We love you all Burke family.

David and family, I am so sorry to hear of Shauna's passing, I live in Casper Wyoming, so it's harder for me to get away. I wish I could be there. This is a very hard time and longing for her. I'm sure, there is many people there to love and support you at this time, I wish I was there to help with that. Even though we didn't get together very often, I do wish we did and we will miss her very much as well. I want you to know that my thoughts and prayers are with you and my longing to be there with you. It's sad that we didn't get together very much as cousins and family. You have a very special family, and please remember that I do love you guys and Hope that there is some comfort and peace for all of you. My heart is with you, and my thoughts long for you and the peace and comfort for you. Love Westy.

How sad it was to hear of Shauna's passing. She was a very dear friend whom we worked with at the Stake Family History Center. With our common interest in family history, we felt a deep interest and love for each other. We desired to attend the services, but were unable because of Eldon's health.

- Eldon and Dorothy Walker

I'm so sorry for your loss! I went to high school with Shauna and although I did not know her super well, the two words that come to my mind when I see her pictures and remember my interactions with her are that she was both humble and kind. I share her love of family history and hope that angels will be around you too bear you up during this difficult time.♥■
