Shaunna not only were you a great friend but you were a kind heart who helped others at there lowest. I'm glad I was able to have you apart of my life as you shaped it in ways that I will forever be greatfull, I'll miss our talks and your guidance. I'm so sad to hear of your passing, but I know you are above with your sweet Rylan looking down at us. We will meet again one day my friend.

I miss you Shaunna more than anything you were my best friend growing up and I wish everyone realized how close we were. I love you a lot and I wish I saw you more before you were hospitalized I'm sorry I couldn't stay by your side when you were passing I just never wanted to see you like that you deserve better than what you were given I can't wait to see you on the other side one day. ❤■
