So sorry to hear of the passing of Sheri. I remember her growing up in Willard and coming to our house for play dates with Leslie. She was such a sweet and lovely person . Blessings of lover to your family.

My family and I moved to Rose Park on Halloween 1998. Shortly thereafter I met Sheri. She was such a great joy to me. She frequently sent me cards, shared treats with me, and was the best, dearest Visiting Teacher ever! My deepest condolences to Scott and all who held her dear.From one Box Elder County girl to another, Fly!!

Sheri Ann, My sweet friend, my college roommate, my "2nd sister" I miss you so much!! I'm so grateful for all the times I was able to spend with you as you battled cancer and you always lifted me up when you were down. I love you so much and can't wait to see you again someday! I won't forget you ever, my friend! God, be with you till we meet again!
