April 20, 1943 ~ March 22, 2024

Love and prayers for your family. Sheril was wonderful cousin and will be missed. Stand firm in faith and knowing that family is forever.

Hi Larsen family, I'm so sorry to hear about your dad and grandpa. What a nice guy to have in our neighborhood and ward. I remember running into him once at a JC Penney and then my mom told me what his job was. I thought that was so cool - like he was an undercover spy. I'm glad that now your parents can be together again, though I know from experience how sad it feels to be without them. Our family is thinking of you.

Aloha To Sheril,s family and friends, Such beautiful memories and love in the things spoken. Thank you. And my heart goes out to my cousins...elderly or far away who could be present to show love and respect thru zoom! I'm 5 years younger than Sheril and my memories are of our childhood,. Our lives took different places and paths and were not interwined to much. Very dear to hear how He was as a man and lived his like. Again as they say in Hawaii, Mahalo. With love, Shari Temple

Well loved as a cousin and beautifully loved by your family. I’m glad I had the opportunity to zoom the funeral and see that love expressed. You will be missed. My condolences to the family. The Jacobson Lydon Family
