Karen, Ted service was beautiful I regret not being able to be there I’m just getting over Covid. I was so grateful that it was broadcast so I could watch in and listen to it. I wish you the best my heart goes out to you and your family sending love and hugs.

We are so sorry to hear about Ted. He was a good friend to me growing up. We lockered together, wrestled together, we were in the same scout troop (Gordon) he was one of my dad's (Paul) favorite scouts. It was so kind of both of you to come and tell dad goodbye when it was his time to go. I'm sure dad was there to greet him in Heaven. He will be greatly missed by all of us!

IMG_0793.jpg Ted was a good person, always a smile, a great curious laugh and an endearing friend. You would have been proud of Ted during his growing up years! Just a great person that will be missed. See if you can locate him in this old scouting photo of mine. He is 3rd in from the left knelling down next to me. I am the fourth one knelling down to the right of Ted. We climbed to the top of Timpanogas Mountain, did a 50 mile hike together, played basketball and baseball on the same teams, we graduated together, got our Eagle Scout Awards together, camped, fished and had a wonderful childhood knowing each other. He was kind, loving and friendly. You will be missed Ted! Your friend, Kent Sulser

Ted and I collaborated and enjoyed each other as friends. He was an early adopter and very knowledgable regarding personal computing, and he was able to help many people in the early days. He was the Executive Director of the Utah Chapter of the American College of Emergency Physicians and accomplished a great deal on our behalf as we were establishing ourselves in the eyes of the Utah State Government and the Utah Medical Society. He was always helpful and welcoming, and he always brought a great sense of humor. I am grateful for his friendship and sorry to hear of his passing. I wish the very best to his family and friends.

I’m sorry to hear of the passing of my friend Ted. I was unaware of the funeral until today. I enjoyed working with him at Alta View hospital ER. He was a great nurse and friend. I will miss him. My love to his wife and family Rachel
