Sherrie Lee Bean Thomas

March 22, 1943 ~ March 8, 2021

Thomas Family, One of my earliest memories of Sherrie was as a primary chorister. She was so fun and she loved the primary children. Every memory I have of her as a child and teenager, she was laughing and hugging. She brought joy and sunshine wherever she went. As I got older she was such a great listener and sympathizer. She would never judge, she would just listen and love. My children call her grandma Sherrie and they actually think they are related. I'm so grateful for your mom who invited us into your family! I always knew I could stop by her house unannounced and she would be excited to see us. I especially loved that I could come by at 10:00 at night and get a late-night visit in before Scott went to bed and right as Sherrie was getting up. She will be missed but not forgotten. I know I will see her again and she will laugh and give me a great big Sherrie hug. For now, I pray for peace and comfort for your family!! ■

Sherrie was a marvelous Relief Society President and made my life as Bishop so much easier. She cared deeply about every sister in the ward and everyone in each of their families. She is one of the most caring and loving people I have ever known and easiest to know and become her friend. We love her and Scot and their children so much as we raised our children together. Say Hi to Carolyn for me

I will always remember Sherrie as a fabulous lady. She cared about everyone. She was a great Relief Society President and was always there when anyone needed her. She could make you laugh or cry. It was a real trial when the disease hit her. She changed a lot but was always smiling. She appreciated visits and prayers in her

behalf. She will be missed for her sweet personality. Heaven will be a lot sweeter now with her there. I pray for Scott because he will miss her.

Dear Scott and Family, We were saddened to learn today of Sherrie's passing. We only have warm, tender, happy memories of our association with her. The obituary describes her perfectly in saying that she made everyone feel like they were the most import person in the room. She was so outgoing snd friendly and we always loved being with her.

I remember the Thomas kitchen very distinctly. I remember Sherry giving of her talents in the most painful of ways as she pulled glass from my finger while distracting me with her smile and laugh. Sherry opened her home and heart to everyone. She was an amazing lady and I am sorry you must all bear this time apart.
