I only knew you for a short amount of time, but in that time you showed me how big , caring , loving your heart is. You truly were/are an amazing person. You are very loved and missed. Love you Sherrie■

I haven't the words to say my friend. We have been through one hell of a ride. Although, I haven't spent much time with you in the past few years...when we did get together, oh how we shared secrets. YOU were the best Sherrie. I will forever miss your face. I love you and will help take care of your grandbabies and kids. And thank you for taking care of my Stephanie when I wasn't around. Love you bunches, Leona

Colie, Britt & Kyle I love you guys so much. My heart and prayers have been with you all. She was a very special soul with the biggest heart. I'm always here for any of you, always ■ Miss you Ma, I'm so grateful for the time I had with you. Thank you for taking me in like a little stray cat, you always loved me and always left the door open. Love you always ■
