

Sherron Henton Woodruff

September 14, 1934 ~ July 17, 2024

I told Julie the other day I remember going to her house when we were in Junior High and her dad being so funny and he would always tease her mom and she would just smile and laugh. They were really cute together. My condolences to Julie and Mark and the entire Woodruff family. May that sweet man rest in peace.

Mark we simply love your dad, he is an amazing man and always seemed happy. We loved his smile and how happy he always seemed when we saw him. Even with our understanding losing a parent is tough. Your family will be in our prayers. ■■

Dear Mark and Jennifer, We were saddened to hear of the passing of your dad. It is SO hard to lose a parent - nothing leaves a hole quite like it. Whoever wrote his obituary did a beautiful job - a lovely tribute! May you be blessed with peace and assurance that your family is bound eternally and that your parents are experiencing a joyful reunion, along with many others. We're sending our love and friendship across the miles. May you feel it and know how many friends and loved ones appreciate your fine example of service to our Father in Heaven, our Savior and our fellowmen. Sincerely, Kent and Laurel Lee

Family, I am so sorry for the loss of this father, grandfather, great grandfather, brother, and uncle. Reading his obituary taught me more about what an amazing person he was and the exceptional life he lived. He will sorely be missed by all he left behind. My heart, thoughts, and prayers are with all of the ones still on earth. With all my love and heartfelt sympathies.

I only have fond memories of Uncle Sharon & Aunt Janet. They were very loving & kind to me & were very supportive when I went on a mission as a young man. I loved Uncle Sharon's sense of humor & caring attitude. He is undoubtedly being strongly welcomed by family & friends on the other side of the veil.
