I'll miss her very much. So sad she didn't get to meet her 2 newest great grandkids.

Our sweet Sherron, our Salem next door neighbor and friend, will always be remembered for her loving kindness to us. We are sorry that we didn't know of her passing until today as she made her way back to Salem and to the Salem Cemetery to be with Orlynn. We can watch over her now. We have the fondest memories of her and Orlynn and the sweet care she took of him. We loved being her neighbor and her friend. The nightlight she gave to us when she moved shines a light for us still. She was a lovely, good women ! A gem among gems for those of us who knew and loved her here in Salem.
