Shirley Ann Thomas Nelson

January 19, 1932 ~ January 18, 2021

Noell, so sorry to hear about Shirley! I didn't know until tonight, hope to see you tomorrow! I loved everything about Shirley, if there was ever an angel here on earth it was her. I know everybody loved Shirley, and I know you loved her the most, and I know how much she loved you! However, the remarkable thing about Shirley was not the love everybody had for her, but it was the love she had for everybody else. You knew how much love she had because of the way she always showed it! I have known Shirley for thirty six years and can't remember a time that she did not greet me with a big hug and kind words. Shirley, the world is a better place because you were here! And I will always strive to make the world a better place because of your example. God bless you the way you blessed others.

Shirley was one of the most Christ-like person that I have ever known. She was so sweet and compassionate. She truly was an angel and I will be forever grateful for her love and friendship. She will be missed terribly. Sending all our love to your sweet husband and your family.

My heart is breaking! Shirley was such a sweet person, so kind and loving, always interested in you. Together she and Noelle were such a great part of Bluffdale from the ground up and her passing leaves a big hole in this city. What ever will he do without her? Much love and prayers to him and the extended family. She has left you a great legacy and the world is a better place because of her.

Loved Shirley. Became friends while serving on the City council when her husband was mayor. She always had a hug for me when she saw me in public. Delightful person. The world is a lesser place without her in it.

We are so saddened to hear of Shirley's passing. She was amazing. She was full of smiles, hugs and a camera. She always made you feel special and wanted to make sure she took your picture before you parted. If only we could have cloned her. The world wouldn't have the conflict if everyone followed her example. We have so many cherished memories of her.

Grandma Nelson was an angel on earth and now in heaven. She is THE example of how a person should love, behave, and live without judgement. She saved my life and I truly believe if it wasn't for her pure love, tremendous faith, and personal connection with God I would not be here today. Knowing that she is in heaven looking down upon me with love in her heart, gives me great joy. She will always be my guardian angel. She is loved and adored by all who knew her. She will be missed but never forgotten! I love you grandma! XOXO

Shirley is so classy, but unlike the stereotype classy woman she was as kind and charitable as one could be. She had a remarkable way of showing love and concern for me even when I hadn’t seen her for years. She was such a fun Young Women’s leader for me and my peers even 48 years ago! Bless you Noall and your family! You and Shirley have given so much to Bluffdale!

Always cheerful and hospitable, that's how I remember Aunt Shirley. I'm sorry she was ill and I along with others weren't aware in order to send her sympathy communications. But I'm sure she's now at the side of God in her
