Dear family. Our hearts ache with Shirley leaving. She was a special Spirit. We have wonderful memories. We can't join you in person to say farewell but we will 'zoom' in. Love to you all, hug John for us. Our hearts ache with Shirley gone but we rejoice for her journey to Heaven. She was so loved.

Sorry I just noticed this today (one day late). Leda and I will always have fond memories of this great matriarch together with her king summoning their children for a gathering at Rafael's Mexican Restaurant! Our hearts to yours!

Julie, Seeing the picture of your mom & dad brought back so many wonderful memories. I have thought of you often through the years. Hope all is well. So sorry to hear of your Mom's passing. May peace and comfort be with you.
