

Shirley Carrol Crookston

November 5, 1929 ~ August 31, 2025

Jean, you said you hope when you pass you will be able to find Shirley. You will, because all you will need to do is look for the Saints. Anyone who taught as long as she did and no less middle school automatically become a saint. Look at the children she touched. And I think Tiffani and Bruce will be with the Saints also. Yeah for the help they gave to you and Shirley. Tiffani has always been my unaware angle . I have such a love for her and her family. Which reminds me Bruce still needs to do my windows, outside. Jean I'm sorry for your loss. My you find peace in days to come, knowing Shirley was loved by you and everyone who knew her. I love you Jean, as I loved Shirley. Peace be with you always. Miss Crookston as I knew her, was an elegant and sophisticated instructor and an ambassador for learning in my days at Midvale Jr High school. I had her for an English class in the 8 th grade, and she was dedicated to the finest principles a teacher could have; from her matching watches and shoes to her formidable posture, she had my attention. I regret to learn of her recent passing; and can only wish my condolences for her partner Jean and the rest of her family members. Fly high Miss Crookston, you soar now high above with the Eagles. Thank you.
