Randy and Rick, Linda just informed me of your mom's passing. I am sure Uncle Eldon is happy to see your mom! I wish I was not so far away, but I can't make the 400 mile drive in three hours. Several times a year I think of being at your family home, playing hot box, going to the IceBerg, listening to Cream or The Doors, and just simply having a lot of fun. Your mom always made sure we had great food to eat and plenty of fun things to do. I am also very grateful that Uncle Eldon coaxed my dad to play golf with him during retirement. It was a great activity for him and it provided a lot of fun memories for me with my dad. I am confident your Mom and Dad are together now, saying Hi to their parents, siblings and many dear friends. I hope the Service is comforting and you are able to see several friends and extended family. I think you have wonderful parents and a great heritage! Love you, Jeff & Debbie Young

Rick and Willie, So sad to hear about your mom, but am sure she is at peace and with Eldon again. Please take solace that her time here was well spent raising two wonderful sons and enjoying her grandkids and great grand children. We know how hard it is to lose your parents, but remember them both with love and laugher and they will always be with you. Love Adrian and Lucy
