I'm grateful for the time I got to know her and how you all welcomed me in as part of your family. Jeannie was such great woman and an inspiration to many of us. She always made work pleasant and we had many great talks about life and what was really important. She will be greatly missed as she was a stalwart and noble daughter of Heavenly Father. I am sure she is in a great place to reap the reward of a life well lived. We loved her when she worked with us and we look forward to seeing her again. Our condolences to your family for losing such a great mother.

Jeannie was the telephone voice of Varian. Always nice to talk to when waiting for a guest. I remember Jeannie well in my 16 years there. My condolences Shelly, I remember you took over when your mom retired. Ray Daly

Sister Rydalch was a perfect example of service and love. She was so good to my mom when she moved in with us and took her under her wing and worked with her in the library. She made my mom feel welcome and a part of our ward. She was such a great woman to be around. She always made everyone feel like they were important. She will be greatly missed.
