

Shirley Jean Mears

Jan. 3, 1923 ~ Nov. 18, 2020

We were saddened to hear of the passing of your mother. Our condolences go out to the family, and especially Scott and Wendy, who have been friends for many years.

I want to share my condolences with Shirley's family. I hope you're comforted by the "renewal" she's enjoying following the constraints of too many "plenty ninth" birthdays. As a true friend to my mother and father I remember her as always pleasant to be around. She continued to lift my mother's spirit even though Alzheimers had robbed mom of the knowledge of who this friend was. I have always appreciated that. I hope you are all doing well. Kim Roderick

I wanted to send the warmest wishes to Wally and Shirley's Entire family Who made such an impression on me at a young age. You are the kindest family and I truly adored Wally and Shirley. Thank you for all you have meant to me and I wish for you peace and comfort at this time.

So sorry to hear about your mom. My mom and your mom are probably having a grand time on the other side. Love Alana

Aunt Shirley lived a long and wonderful life. She was my favorite aunt! LuAnn and I sure kept her on her toes when we were together as children. She and Uncle Wally always came to our Gene Fellows' gatherings in Utah and we were always so glad to have them. Every time I would visit her, she would ask about my children and what they and their children were up to. I will miss her. Even though I live out of state and couldn't see her very often, just knowing she was in Bountiful was comforting. Love you, Aunt Shirley!
