We want to let you know we are praying for your peace and comfort. Both of your parents were special to us from the time we got to know them at Prince of Peace. Your Mom and I were in choir together, even back at Messiah. Your Dad had taken a special interest in our son-basketball, guns, trombone....They were both very special people. We were happy when your Mom got to move closer to some of you. We still enjoyed her newsy Christmas letter every year and sent her ours, as well, so she could keep up with our "children" and grandkids. We still felt close, even though she was far away. We look forward to seeing her and your Dad when we eventually reconnect in Heaven. In the meantime, our prayers are with you. In love, Don, Jan, Andy and Nikki
