

Shirley Reynolds Burnside

October 7, 1938 ~ November 8, 2024

Shirley was such a special person, she tended our youngest daughter for a couple years. Even in the middle of the winter she would bundle the kids up so they could get fresh air even though it was a greater chore for her. Amanda always loved going to Shirley's home she was so sweet and caring! Jerry and I send our sympathies to the Burnside family, we LOVE so much!

Shirley and Roger Burnside Family shared the fence with my parents, G. Pete and Betty Rae Frandsen. From the obituary, the Burnside Family moved to Sandy in 1975, about the same time Pete, Betty Rae and their fifth child Jennifer moved on Tortellini Dr. I'm the 3rd son of Pete and Betty Rae and was living away from home by that time, However every time I saw Shirley, Roger was close behind. This picture is typical of her smile and positive attitude towards life. Her laugh was always contagious. Aside from Shirley being from San Pete Co. where my Dad, G. Pete was from, my family loved the Burnsides as next door neighbors. Condolences to the Family. Yes, I'm sure her reunion with Roger, and the rest of her family before her was joyous.

I have fond memories of Shirley. We came from the same neck of the woods but I didn't really get to know her until we became neighbors in Sandy. She was such a good cook! Always with a smile on her face she served faithfully in our ward. I can still see her sitting by the side of her hubby Roger.in sacrament meeting. You could tell they loved each other dearly. I'm surprised she lived as long as she did after he passed. They were so close! I'm happy for her and am blessed to have known her on our earthly journey! XO Paula
