

## Solomon Graham Rico

*July 9, 2020 ~ Oct. 28, 2020*

---

Dear Rico family, I am Jacquie Dimond's grandmother. I have heard of the passing of your sweet little boy. While we may question the why of God's ways, we know for a surety that His ways are perfect and it is through our Savior Jesus Christ that we receive peace, comfort and understanding. God has trusted these sweet parents to send His Celestial children to. May the Lord now send you His tenderest mercies, because parting is such sweet sorrow.

Lincoln and Sylvia, Thank you for letting us be a part of Solomon's special life. Dad and I love him and all your boys immensely! Like Elliot says, "to the sun and back!" Thank you for being such wonderful parents. His presence, light, smiles, laughter, coos, and big blue eyes will be missed. I look forward to the day when we can hold he and Malcolm again in our arms. With Love, Mama Rico/ Jenny Rico

Sylvia, Lincoln, and Elliot, You have and still are in my prayers everyday. I will continue to visit and bring your boys little gifts. Your talks were amazing and so moving to me. Keep the faith! ■ Love, Aunt Kate ■
