

Sorcha L. Arvidell (Nancy Grindberg)

April 24, 1967 ~ May 30, 2024

This beautiful soul was my soul mate, freind, sister, guide. Her smile and jokester personality got us both thru some great happy and sad times. I am happy to knkw she will be watching over her family from on high. She has raised 3 strong beautiful girls whom we know will carry on her legacy. I am better for knowing her these 53 years. Rest in peace my 10 cow woman. I will hear you with every tune from Iron Maiden or music from our life, see you in every deer that crosses my path and in our camp fires. I will see you again one day till then Love you :Carry on my wayward son (sister)"

I have been a long time friend of the Corum's. I've known Nancy most of my life. She's a pillar of strength and resilience. God knew her faithfulness and decided it was time for her graduate from this life and return home to Him. I'm grateful for the opportunity I had to know Nancy and to see her overcome so many challenges in her life. She is loved and will be missed.

I met Nancy from work at BG and we became close friends! She was always fun and had me laughing! She taught Meardey and I how to make her famous lasagna. My heart goes out to her three beautiful daughters. You have

such an amazing mother. She will always be with you. I loved her like a sister.

I remember her coming to our restaurant for many years. During the beginning of Covid, she sewed us Masks with Mexican flair. We didn't expect such kindness! After that we easily talked about life. She openly talked about her sickness. She really wanted to enjoy every good moment she could. She always was so proud of her kids! She was a joy to be around. I'll miss her. Beautiful inside and out! I look forward to seeing her again.
