Sending our sincere condolences to Spencer's wife, his daughter and his entire family. Spencer was such a bright light in our lives. He came into my life during one of the darkest times of my lives and worked his buns off for us and was smiling and kept our spirits up the entire time. He was there during the happiest times of our lives too and always so excited for us. He helped not just Scott and I but every one of my son's as well buy and sell homes over the years and I can tell you he worked so hard and cared even harder for each one of them. Spencer, I know you're at peace and that makes our hearts happy but there is a huge hole in so many people's lives with you being gone from this earth. Thank you for sharing your life and love with us. You sir are going to be greatly missed. Hope you're flying high in all those beautiful mountains you loved so much! ♥■

Very much blindsided by this; was totally unaware and now deeply saddened for his loss though also very touched at the salutation he sent me August 28th on my recent birthday. It was obviously very heartfelt and tender though I don't think I saw it or responded until a week or two after. Sorry I didn't get to see or hear from him again. For his family i want you to know that I got to live with the good man for a couple months back in the late spring of 2001 when we served together in the Victoria area of the Texas Houston South Mission. He was and eager and friendly but no-nonsense wherever he felt something to be ... well nonsense. But he was kind in supportive when I was ill with the flu, diligent always in his work and companionship , and loving towards the people and to me as a companion- and I think he was wise beyond his years. I figure though none of this should be a surprise to you, he was blessing to me and though i only got to see him once after the mission, in or around the winter of '08/'09, I remember him well and will forever remember him fondly. May God's loving comfort and tender mercies shine through to you, his dear family and friends, at this time. Much love and heartfelt prayers felt for you all from us in Mississippi.

Dear Lindsay, I was sweet Layton's Pre-School teacher at MCS in the Toddler Program. Spencer was always such a warm presence and I could see how special his relationship was with Layton during their tender drop offs and pickups. I am so sorry to you and Layton for this immeasurable loss. May your memories bring you joy and peace.

Dear Dave: I can't express enough my condolences for the loss of your son Spencer!! He looks like such a great son in his pictures and I'm sure being your son he was. I'm really heartbroken for you because you are the finest person I've had the pleasure to know and you do not deserve such a terrible thing as the loss of a son. Although I didn't know Spencer personally I do know his Dad and share their passion for the mountains. I often heard details of their adventures and remember especially learning of their Mont Blanc climb during the same summer I was hiking in the area. My thoughts are with Dave and the family for your great loss.

To Janke Family, my condolences for the loss of your son. Although, I never knew him I worked and shared great times with Dave many years ago at Evans & Sutherland. Dave had always inspired me for his wisdom. Dave, may God bless Spencer's soul and give the Janke family the strength to cope with this great loss.

I was Janke's trainer when he started mission, we were together for many months and became good friends. After his mission we stayed in touch and we hung out a few times to catch up. I have followed his life and him mine. He was a great guy, someone that you wanted in your life and felt connected to. So sorry for your loss. Thoughts and prayers to you all.

I was saddened to hear of Spencer's passing. I was Spencer's homeroom teacher during his middle school years in Sandy. He was a delightful teenager and a pleasure to be around. I enjoyed his friendliness, sense of humor, and kindness to everyone. He was a great kid, and grew into a great adult. We will miss him.
