Stacy is my oldest cousin. She was always a stalwart example to me of love, kindness, hospitality, service, good-humor, and charity. Her leaving us in this life and going on to the next indeed creates an emptiness she had filled with her proven love. I will strive to remember her by following her good example to me in this life. Thank you, Stacy, for your profound example of goodness!

- Eric Miller

---

My Heart goes out to the family ! She was a wonderful person and also so kind . Taylor , her brother was like another son to me , my son's best friend growing up. I loved her parents so much , and they really did a great job on raising such wonderful , faithful , kind children. Yes, holidays mean so much and she will be missed , but her spirit will be at everyone's side. May she rest in peace , there is no rhyme or reason we know why she was taken so soon. One day will shall know . Now she will be reunited with her parents and I am blessed with the fact that , I knew her and we had talks and what do you really say ? Faith brings you thru these times and she will be missed , never forgotten . My thoughts , prayers go out to entire family , and Taylor remember all good times . With Love ,

I'll never forget when I was doing pageants and I was struggling with getting prepared for the interview portion. She volunteered to help me! She took me to a pageant that she was covering for a local newspaper so I could get an idea of what to expect. And of course she showed up when I competed! I know she was super busy and didn't have to do it but she did cause that's who Stacey is! She will be sorely missed! Love you Stacey!

- Raquel Fairbourn (Rasmussen)

- Bob Williams

---

This saddens my heart. What a beautiful soul! I am a cousin of Stacy's. I caught up with her recently after several years. The love and concern she had for my sister who was grieving the loss of her husband was palpable. I was very moved by the kindness and outpouring of Stacy's heart. I am thankful for that moment. Stacy was a beautiful little girl who grew to be such an inspiration to so many people. A life well lived. So much goodness!

- Kay Parker

---

Stacy and I are first cousins once removed. Her mother Laurel and I are cousins, her grandfather, Clayton and my father, Elton are brothers. I was privileged to be in her home one time and felt of her love of family and was able to share her amazing hospitality. I was so sorry to learn of her passing and send my love to you all. LaRae Stapley Ballard

- LaRae Stapley Ballard

---

We are so sorry to hear about the loss of Stacy. She was always so thoughtful and shared many kind words and gifts with me and my family over the years. She knew how to spread love, kindness, and joy (thinking of Mr. and Mrs. Claus) that is so needed in our world today. We hope and pray for peace for her family and loved ones.

- Chad and Jenni Stewart

---

I am saddened to hear of Stacy's passing. She is our oldest Gooch cousin and probably the most admired. I had no idea about the breadth of her accomplishments. She is truly the most remarkable and loving person in our family. She never forgot to remind us of her awesome parents brother Bill and dear Laurel. To her "Family " meant everything. She always made a point to have personal visits with me when we had our reunions. I admired her for that. She left us too soon and will always be remembered for her loving strength and caring heart for all of us. Give your Dad and Mom a hug for me. Love you.♥■

- Richard Gooch

---

To my good friend Justin and his family, on the passing of his mother, my deepest condolences. May God grant you the strength and comfort you need during this difficult time.

- Carmen Flete and family

---

I met Stacy when we were Juniors at Brighton High School in choir, we then were in BABES (pep club) together and then for next almost 40 years we remained close. Even if we lost contact for awhile there was no awkwardness, we just picked up where we left off. She knows all my secrets and has loved me in spite of myself. She is a kindred spirit to me, and I can't wait to hear her laugh and give her a big hug some day! Stacy, I know you were so happy to see your mom and dad, but oh how I will miss you until I see you again. To Stacy's family, my heart hurts for you - I know family was what was most important to Stacy. I lost my brother 20 years ago, we still feel his absence at our family gatherings and I still miss him everyday. But, I know she will be there for all the important accomplishments, and even when you just need her, she will feel your pain and I believe she will be right

by your side. I'm so grateful for the plan of salvation and that you are an eternal family. I know we will see her again. May you find comfort and peace at this tender time. -All my love, Heath ■

- Heather Clegg Araneda

---

Stacy was a wonderful person, truly a light to everyone she met. She always treated me with kindness. She would reach out to me and invite me to hang out and just talk about life. She always had encouraging words and advice. There are so many more great things to say about her! I am so thankful to have known her in this life. You are missed, Stacy! ♥■

- Abi Wolf

---

I will always remember Stacy for her kindness and tenderness. Soon after we moved into the neighborhood we ended up losing one of our twin baby boys. Stacy brought me a tiny angel ornament to hang on our Christmas tree, and said our baby would be there with us every Christmas. We still hang his ornament every year. I'm grateful she gave us such a tender tradition, and glad a little part of her can be with us every Christmas as well. Please know I'm thinking of you all.

Mom, Britt and I celebrated our one year. It has been one year since you surprised me in our mother son dance. I still find myself sitting up awake some nights missing you and wishing I could call you. I have worked to continue your legacy and your works. I have taken so many lessons you taught me throughout my life and continue to put them into practice. I miss you each and every day, it's gotten easier but there is still a void in so many ways. I know you are continuing to play with your grandkids and will be sending them our way, enjoy them there and we will ensure they know you here. I love you.

- Maison Anderson
