Sophie and family, We send our deepest condolences to all of you. As you probably remember, our fondest memories of Stan are from seeing him (you) at the Associated Food meetings, but equally importantly, the Jazz basketball games. We occasionally look across the area at where you used to sit and think of the good old days. He may not be there this year physically, but we know he is always watching the fun exciting times of "out team". Love, Jim and Debbie Davis
