Always a joy to talk to when he checked on us on the phone. You immediately felt his friendship when you saw him and that great big cheesy grin. Always so positive and fun to be around.

- Kirk Thurman

Stanley was a great guy. I grew up in Grover and knew everyone in his family here. He was older than me but always had time to talk to me when he visited back home.

- Brad Nelson

Bro. Stanley became good friends with our family while servlng at least part of his mission in Dayton Oh. I'm rememering many good just goofing.....Also the lessons he and his companion brought as they. ht us the gospel..
