- Will and Maria Turner

What a lovely and fitting tribute written for such an amazing woman! Stephanie accomplished so much in her young life and will never be forgotten. She portrayed grace and peace whenever I had the opportunity to visit with her and like what was mentioned, she remembered many details from past conversations I had with her. Truly a special and beautiful soul. To Uncle David and her talented children, may your loving memories hold you up, especially during this tough week and the days ahead. You are loved!

- Aaron Holverson

She was an inspiration for myself and so many others. She’ll be sorely missed.

- Holly Benson Goldsworthy

Stephanie was such a bright light amongst all she knew and will be greatly missed. I remember when I first met Stephanie, David and sweet baby Katheryn in Dallas. Stephanie was such an adoring mother and her eyes would always light up when David came into the room. When I would see pictures of her children and grandchildren I knew she was in her "Happy Place." I feel like she loved music as her mother did and know she played and taught

piano with love and kindness. It is my hope that her family may be comforted knowing that her life influenced so many by the example she set for all.

- Lynda Miller Bickley

Dearest friends, Our thoughts, hearts and prayers are turned to you all at this difficult time. We feel privileged to have met this wonderful, meek lady when she visited the UK. I'm sure the angels are taking good care of her until you are all reunited again. The Gospel is a beautiful thing which we're so thankful for. Of course, there is a time to mourn but we hope the Lord will bless you all with peace, comfort and joy at the times you spent with your mom and the prospect of being together again in the Eternities. David and family, what an absolutely wonderful tribute the service for Stephanie was. Thank you to each for your messages and the memories shared, the evidence and impact of which I was lucky enough to see first hand for a good part of my family's life. I thank you, David and Stephanie, for influencing our lives for good. I am, and hope to be, better for remembering her good life, hoping to more fully give the goodness she offered to those she loved. Sail on, Stephanie, knowing life is long, even eternal, until we meet again.

- Richard Manning

We are so sorry for Stephanie's passing. Sounds like it was tragic and quick. We hadn't seen the Youngs since they had like 2-3 kids in Redmond. For years I walked by their Redmond house and wondered how they were doing. Stephanie held the fort down quietly and faithfully as David would come to our house many times and help me feel so much better as I was suffering with a severe depression. He brought cheer, encouragement and faith. He was by far the best home teacher for us, ever. We knew Stephanie was the best wife there could have been with the kind of compassionate and caring man David is. Sending prayers, David!

- Don and Vicki Doud

We knew Stephanie in Redmond, Washington when there were just 3 little girls. She was a light and we have many fond memories of her and this wonderful family. Our deepest condolences to David and the rest of the family. Loved reading about her life and watching the funeral, so uplifting. Definitely gone too soon. Love, Richard and Donna Garrison
