Our family continues to pray with you in these days ahead ♥■.

Stephanie and Russ were two of my closest friends when we were kids. The Talberts and Pearsons spent many hours at each other's homes. Our dad's served in the Rolla Ward bishopric together. So many memories. And then we lost touch when my family moved to Minnesota. I'm saddened by the loss of a childhood friend. My deepest sympathy and prayers for your family.

Our family is so heartbroken ■ for your whole family. Stephanie was so beautiful and I remember with such fondness of working with her in our primary presidency She brought soft sweetness and love to all the primary children. We understand the pain of your great loss Praying for your family The Jolley’s ■

Stephanie and I met the first day of first grade and it was instant friendship. I have so many wonderful memories of our growing up together, playing fairytales princesses, turning endless cartwheels, and too many others to name. My love and condolences to her family. I’ll remember her all my life.
