You will be missed. May God welcome you home with open arms. You were such a nice nephew and we love you very much.

- Uncle Bob and Aunt Bea

I will always love you I could not have asked for a better Big Brother you'll always be in our hearts you were the best of us all you can be at peace now with Mom and Dad you were the glue that held us together after mom and dad died a part of my heart died with you so hold on to it until we're all together again I love you
