

Stephen Charles Strong

August 17, 1929 ~ April 23, 2022

Sharon & Serena, I send my love and condolences. I am so glad that he was there for you and was such a doting husband to Sharon. Hugs, my friends.

Steve gave me a Job at the Amoco Station in 1973 while attending the University of Utah. Without that support, I would not have finished College and been commissioned in the USMC in 1977. Colonel Steve and his Father were instrumental in my Career as a Marine Corps Colonel and successful Business Owner. I kind of owe it all to Steve! This is a little late, but recently I have been going over my past and those that have significantly contributed to my life! To your Family, my sincere Condolences, God Bless You ! Richard Hoopes.
