Mixed emotions to seeing your Dad's obituary. I'm sure he's happy for this graduation to the next life and the opportunity to be with those who have preceded him. Heartache for those left behind. I am so grateful for you parents' kindness as neighbors to my parents for so many years. May you all be comforted in your loss.

I am sorry for the loss of your Dad. He was always so good to me. I spent a lot of time at your home and he always welcomed me and treated me so well. He was awesome as a football coach and very kind to the kids that played for him. I know that they had a lot respect for your dad. He was my Teachers Quorum Advisor and I really do remember some of the lessons he taught me. I love you all and my thoughts and prayers are with each of you. I know how much your Dad loved you all. Sincerely Darryl Syversen

Kim, Mike and Danny. I am so sorry to hear of your dad's passing. So many memories from childhood. And my mom sharing memories of your dad when he was a kid. Know that there is a joyful reunion with the love of his life. Definately one of the kindest people ever. Love light and memories that bring you peace.
