

Stephen Tighe Sinclair

September 3, 1966 ~ June 17, 2024

Dearest Janet and family, Todd and I are devastated for your loss. Steve was a treasure, we always enjoyed our time when we had the pleasure to see you both. My memory of Steve was his genuine nature, his kindness and love for his family and friends. I always loved speaking with him about his eBay store and learning about his latest projects. Such a smart man! I pray for you all, and I pray you feel the love of Jesus Christ holding you tight. Much love Gretchen and Todd

Our sincere condolences to Steve's loved ones. We met Steve as a young enginneer in Houston and always enjoyed his company. He and Roy kept in touch throughout the years. We know his happiest years were in Utah with Janet and Emily. May all your precious memories soon bring you peace and comfort.

Steve was and will always be my friend. I first met him at Roche Engineering where I discovered his wit and sense of humor. Steve was a fantastic Engineer and friend. He always had a drive to discover how things worked. Although I lost contact with him after he left I.C.P.E. I would think about him at times and wonder how he was doing. Heaven has gained a great man.

Dear Janet, Emily, Family and Loved Ones, My husband considered Steve his absolute best friend. Larry enjoyed Steve’s humor and work ethics and entrepreneurial spirit. At one time I joked about Sampson and Son as they both thrived on resale of computers and such. Steve took this to another level with his Furniture shop and he so enjoyed assisting you Janet in your Real Estate. It is with a broken heart that Steve is no longer with us. I cannot imagine your loss but as a believer I know Steve is with Jesus and is at peace and awe of our AWESOME GOD!! You and your family will be in my prayers. ✝■■
