Will remember Steve for the love he shared with my Aunt Joyce. Glad for all the years they had together, can't help but wish there could have been a few more. Condolences to the entire family.

Such an admirable husband and father. I was lucky enough to know him and Joyce in their early Ak years. We had some great laughs together! As an MP and valiant friend he came to rescue once and I have never forgotten it. He will be sorely missed. With great love their comes great loss. I pray Joyce and the family will feel his presence for many years to come.

I miss you Big Brother. LOL The oldest of the boys yet the shortest! They got more of the Reed in them we got the Hopkins. I will always remember your laugh and singing to music. I remember crying because you were drafted with a broken leg. But that is what led you to Joyce and your beautiful family. You fought like Hell through Lymphoma for 20 years with the love of all of them, especially Mackenzie and Finley, and your faith in God. Thank you for helping me with Mom through her passing and the many conversations and words of advice. I am so glad you are now pain free, catching up with family and friends. We here are the ones missing you and broken hearted. We are so blessed as a family to have so many angels looking over us, If you get a few minutes from watching over Joyce and kids, please pop in with me now and then okay? Love and miss you! Love and prayers family!

Dear Joyce and family, We are very sorry to learn of Steve's passing. While it's been many years since we've communicated, Linda has always kept me updated on your family. We have many fun memories of earlier times, especially when we met Steve and the others from Fort Devens. Let your children, and many other memories carry you through your grief. With sympathy and love, Kathy and Huey
