Stevan Zlatko Paul Vasic

February 5, 1966 ~ February 19, 2023

Sorry to hear about Stevan I was really pulling for him to get well. May he rest in peace and bless you all.

I was so incredibly lucky to have Stevan as a friend for more than 40’ years. His dry wit and hilarious comebacks make me giggle to this day. Funny, generous, kind and caring is the man I knew and the friend I could speak to after not seeing him in-person in months or years, and carry on like we never missed a day. I love you Stevan and will cherish our friendship forever. ❤■

I am so terribly sorry to hear that Stevan has passed away. I tried to remember the last time I saw him but unfortunately, it has been so long ago that I can't recall. In my mind, he is still a very young, carefree dashing teenager with long hair and a mischievous smile. I can see from the pictures you have shared that he is still a very handsome man with a sign of mischief still on his face, which is probably that adventurous spirit you are talking about, and that he was a good kind man that is LOVED by so many and will be dearly missed. My thoughts and prayers will be with each of you. Love Jennifer and Family
