I've known Steve since we were freshmen at the Air Force Academy. A man of high integrity, strength and beauty at the same time. I'm in awe of his fruitful life and the family he led. Heaven is long, Earth is short - see you in the great blue yonder Steve!

What a human being! To the entire Kelly Family, my deepest condolences. I grew up in the same neighborhood with Steve. I was a Senior when he was a Freshman on our football team, and he was a tremendous athlete and teammate. You could tell even then he was destined for great things. He was a humble, compassionate person and will be missed. Heaven is in good hands with Steve. RIP, my friend!

Holly, I send my deepest condolences. I am a medical student who was lucky enough to be involved in Steve's care and he is a patient whose visit I look on fondly. I am so sad to hear of his passing but am so amazing to see what an impact he has made throughout his lifetime. He truly was a man to remember, even after one brief meeting. All my love to you and your family.

Air Force Academy teammate & squadron mate. He will be missed. He was a great guy and class act.

Steve was a squadron mate at USAFA. I am an '86 grad. He was highly esteemed by us all for his joy and optimism. When my husband - also an '86 grad from our squadron died in an AF helicopter crash, Steve came to my home in Lancaster, CA to visit, have dinner and express his joy in knowing my husband John. I was so touched by that. I'm very sorry for his loss to your family. What a wonderful life to be remembered and take after. May God bless you His peace and comfort and your memories. Sincerely, Janet Augustine
